### **WEATHER SUMMARY**

- i. The County of Kisii expected to receive rainfall over several places during this week ending on 3<sup>rd</sup> February 2025.
- ii. Residents are advised to avoid sheltering under trees during the rainy days to minimize accidents due to falling branches and lightning strikes.
- iii. Roads are likely to be very slippery during rainy days; therefore road users should be very careful as they use such roads to minimize accidents due to slipperiness of those roads.
- iv. The Maximum/day time temperatures are expected to range between 21°C to 29°C while the Minimum/Night temperature is expected to range between 11°C to 17°C.
- v. Farmers are advised to consult the Departments of Agriculture, Livestock, Fisheries and Co-operative Development for the types of activities to be undertaken.

Thank you.
